**Terms and Conditions of Sale:**

The prices published in this list cancel those in all previous lists. They are based on present market conditions and are subject to change without notice.

Prices listed are F.O.B. our Nurseries. Transportation at cost borne by the purchaser.

Quantities 1 to 5 at the each rate; 5 to 25 at the 10 rate; 25 and over at the 100 rate.

All stock when especially selected on the nursery will be sold at prices commensurate with the values of the specimens chosen.

Because of prevailing conditions we are unable to do any baling or boxing.

**Guarantee:** As we have no control over conditions after the plants leave the nursery, we will not replace plants that fail to live or thrive.

**Claims:** All claims must be made immediately upon receipt of stock.

**Terms:** Cash with order, or 30 days to parties who have established credit with us.

Balling and burlapping free of charge on evergreens, and also on deciduous stock where B&B is specified; but an additional charge will be made if deciduous stock, not marked B&B, is requested balled and burlapped.
